About One O Buildcon

One O Buildcon is a full-service construction company based in Pune, Maharashtra. Founded in 2019, we have successfully delivered 20+ projects spanning premium bungalows, row houses, residential buildings, farmhouses, and RCC structural work. We are guided by a single principle — deliver construction projects that clients can trust, on time and within budget.

Our Mission

To take every project from blueprint to brilliance — combining sound engineering, quality materials, and attentive project management to build spaces our clients are proud of.

Core Values

Integrity

We do what we say — transparent pricing, honest timelines, no shortcuts.

Quality

Every project is built to last, using trusted materials and skilled craftsmanship.

Partnership

We work closely with clients at every stage, from planning to handover.

On-Time Delivery

Timelines are commitments. We plan meticulously and communicate proactively.

Our Journey

2019

One O Buildcon founded in Pune

2021

Expanded to farmhouse and commercial builds

2023

Completed 20+ projects across residential and commercial segments

2024

Expanding client base across Pune and Maharashtra

Services & Packages

Our Services

Premium Bungalows

Custom-designed bungalows with premium finishes, built to your exact specifications from foundation to final touches.

Row Houses

Thoughtfully planned row house developments that balance privacy, community, and efficient land use.

Residential Buildings

Multi-storey residential complexes engineered for safety, durability, and comfortable modern living.

Farmhouses

Farmhouse builds designed to blend with natural surroundings while offering modern comfort and durability.

RCC Work

Precision RCC structural work — foundations, columns, slabs, and framing carried out to strict engineering standards.

Interior Finishing

Floor-to-ceiling interior finishing — flooring, fittings, paint, and décor tailored to your taste.
